EMERGENCIES

They patrol the Wayne State University area in patrol cars, on foot, mountain bikes, and motorcycles, 24 hours a day, seven days a week. A group of civilian cadets also patrol the area, keeping radio contact with the Dispatch Center.

In the event of any type of emergency, please DO NOT dial 911. Contact the front desk of your residence hall or call 313-577-2222. Approximately 297 Emergency Telephones cover the WSU campus. 176 of these Blue Light emergency phones are located at outdoor locations across campus. 121 emergency phones are indoor emergency phones with one located inside every elevator of every campus building. All of these phones are easy to operate and may be used as either a direct line to the WSUPD Dispatch Center or to make free calls to on-campus telephone numbers. To operate these phones in an emergency, simply push the red "emergency" button of the front of the phone panel. There is no need to dial a phone number as the emergency phone will make a direct connection to the WSUPD Dispatch Center automatically and the call will be received as an incoming emergency services request.

ETIQUETTE:

Etiquette is extremely important to the CDSI Summer Intensive Program, but it is also important for maturing dancers readying themselves for the professional world. The following are important things that students should familiarize themselves with both inside and outside the studio.

- Cell phones are only to be used during designated times: lunch and after class. No cell phone use after 10p.m. ALL PHONES MUST BE SILENCED DURING CLASS/REHEARSAL.
- Drink water to stay hydrated. Have a water bottle with you at all times.
- Clean up after yourself. Remove anything you brought into the studio when you leave, including Band-Aids, tape, lamb's wool, wrappers, water bottles, paper, etc.

QUIET TIME: (HOUSING STUDENTS)

We are committed to providing a comfortable, safe, and restful environment for the students living on campus for the CDSI Summer Intensive. Taking into consideration the youth of our students, we have formulated some policies for their well-being and protection. We ask that you read the following carefully and then sign and return your agreement to abide by our policies.

A chaperone will be assigned to oversee dorm students under 18 years of age for the CDSI Summer Intensive. The chaperone will live in the dorm, escort students to the cafeteria, classes, rehearsals, and recreational activities. The chaperone will be available in case of emergencies.

All resident students will reside in Wayne State University Campus housing for the duration of the intensive. The staff is very strict that there is NO visiting with opposite sex in residential rooms. Disciplinary action will be taken if this rule is not followed. Boys and girls are more than welcome in the hallways and lounges of the dorms.

Because students will be dancing every day, participants will need to rest in the evenings. To ensure a good night's sleep for everyone, we will be adhering to a "quiet-time" policy. All students will be in their own rooms by 10:00p.m, (or following their last evening activity), where they can engage in quiet activities that do not disturb other residents of the dormitory. We understand that students will be excited about classes and the meeting of new friends, but this is the time to listen to your body's needs, as well as to respect the needs of others for peace and recuperation. We recommend that students who wish to listen to music at night bring headphones. At 11:00p.m, lights will be turned off. Please respect your fellow students and chaperones.

We are committed to making sure our students receive the rest and care they deserve, so they can dance to their fullest capacity for the intensive. Students who are unable to comply with our quiet time policy are subject to disciplinary action as stated above.
