

Motor City Cabaret

Motor City Cabaret is a new and exciting musical theatre outreach program brought to you by the theatre students at WSU. Our program aims to create an awareness and appreciation of the art of theatre and dance through an energetic and informative 50-minute performance.

This year, Motor City Cabaret presents "Off the Page". "Off the Page" is a thrilling revue that celebrates musicals that were adapted from novels, short stories, and fairy tales. Let's face it, literature is ripe with drama that begs to be staged and sung. In our 2018 season, Motor City Cabaret aims to entertain you with your favorite characters from your favorite pages.

In addition to our revue, MCC also offers workshops. In our student-led workshops, your group will be led in a physical warm-up, play a game that explores their creativity, and learn choreography from the show.
